

# INTERVIEW

Your interview is when you can really let your personality shine! You will take home valuable interviewing skills, such as making good eye contact, speaking confidently, and sitting properly during an interview. In a very real way, you are interviewing for the “job” of representing Ponca City. The judges are friendly and just want to get to know you. Their goal is to learn more about you, your ambitions, and your personality. They are looking for a representative who can engage in fun, intelligent conversation with an adult. There are no right or wrong answers! This counts for 25% of your total Pageant score!
