

TALENT

The talent portion is your chance to perform on stage with all the lights, excitement, and applause. This is your time to shine! Only live solo talent presentations will be permitted. The Talent Competitor is the only person performing and is the only person on stage. Each performance has a strict time limit of 1 minute and 30 seconds. Timing begins when the music starts or when the performance begins, whichever is first. Stage makeup is allowed when appropriate for the talent being performed. Talent will count as 25% of your total pageant score.

The Poncan will supply a hand-held wireless microphone, microphone on a stand, emcee, and stage. You bring your outfit of choice and your music on a CD, MP3 flash drive, or phone.
